This finish page is only offered as a guide. Due to the limitations of print reproduction, color and tone will not be exact and the sheen/reflectivity is not represented.

There are no finish samples available.

† Standard Finishes are unlacquered and will continue to patina over time. Unlacquered Brass is the default standard finish unless otherwise specified. The brass portions of the pieces will appear brighter than the bronze portions when new but will continue to mellow over time. Please refer to the price list for more details.

‡ (SN) & (SNS) indicate a surcharge for this category of finish. Please refer to the price list for current pricing.
